

Eden Park Redevelopment
Expression of interest
**MAIN CONTRACTOR
CONSTRUCTION SERVICES**

The Eden Park Redevelopment Board (EPRB) is planning a major redevelopment for the Park's facilities and site services. The aim of the Project is to increase the stadium capacity to 60,000 seats and to provide premium sporting facilities for the finals of the Rugby World Cup 2011.

The EPRB is seeking proposals from organisations with main contractors expertise and experience in major sports stadiums.

The Project will include but not be limited to:

- Demolition works;
- Temporary Seating to East and West Terraces;
- New South Stand;
- Car parking, concourse areas and site landscaping;
- Site Infrastructure.

The EPRB is calling for '**Expressions of Interest**' for all or part of the projects listed above. Key components of the evaluation will be;

- The ability to deliver, and experience with similar stadium projects over \$100 million;
- Availability and experience of key personnel and team;
- Track record – performance;
- Organisation profile and approach;
- Construction methodology to keep Eden Park operational during construction;
- Commitment to programme –completion by Nov 2010;
- Understanding of key delivery issues and strategies;
- Health and safety record.

Please respond by (a) indicating your interest, (b) submitting the name of your organisation, (c) brief profile and experience of those carrying out the work and (d) project evidence and references. The key contact person must be named with their position and direct contact details. This Expression of Interest shall be administered at the discretion of EPRB.

Expressions of Interests are to be submitted with **6 (six) A4 sized copies**, in an envelope marked-

**Confidential Expression of Interest
Eden Park Redevelopment - Construction Services' to:**

Adam Feeley
Chief Executive
